

Minutes ACC Meeting
February 25, 2013

Present: Eric, Mindy, Bradley, Stephanie, MJ

1. MJ and Bradley reported on the refreshments LMC and AWARE provided for the Comprehensive Planning Committee public meeting last week. There were approximately 25 people present. Except for the LMC people, they were all committee members. There will be a news release in the paper and a survey available to the public in the next couple weeks and another meeting in early April which MJ committed refreshments to.
2. Stephanie reported that there were 4 Alumni surveys returned by email. Stephanie will divide the remaining alumni up and email the names and numbers to Gina, Eric, MJ and herself. We did not set a date for completion of this survey, but hopefully we can make good progress by our next meeting.
3. It was suggested that we speak with Rotary to see if we can partner with them for our first quarter meeting. Eric will find out who is responsible for programming for March and get that info to Stephanie who will speak with that person about the possibility of this. If that is not possible, class 13 will proceed with Plan A plans.
4. MJ reported that the Board will sponsor the 2nd quarter after hours at the Country Club and were receptive to the leadership camp, survey, LEAP topic proposed projects.
5. MJ reported that Angie Porter and Barb Grove agreed to be on the LEAP committee and that Gina has volunteered to co chair. She will keep recruiting.
6. Eric and Mindy spoke about the proposed Leadership Camp. Tentative plans are for 4,5,6 grade, 3 mornings with 2 Leadership lessons each day patterned after the KLC competencies taught in LMC, and physical trust/leadership activities. A meeting is planned this week with Lynn Miller, head of Parks and Rec. It is our hope that we could offer this at no cost.
7. MJ reported on the committee for the proposed summer lunch program that she was asked to sit on. They are interested in some LMC participation in this. They propose to serve a sack lunch 5 days a week for 11 weeks to approximately 75 children. There are MANY details/donors/volunteers to work out.
8. Next meeting: 530 March 11 at Tejevan
